

B3

INDUSTRIAL BLOWER

Rated Power	4 HP (3 kW)
Voltage	380-440 VAC
Pressure rise	2.5 PSI (17 kPa)
Max Air Flow	340 CFM (9.6 m ³ /min)
Noise level	<80 dB(A)
Mass	9 LBS (4 kg)

Our B3 blower is ideal for replacing side blowers or other applications where large flow rates are required and space is a premium .

- **industrial blower**
- **High efficiency**
- **Grease for life ball bearings**
- **Supplied with variable frequency drive**
- **Air cooled**
- **Robust tested design**
- **Lightweight and compact**
- **Custom compressor maps available on request**
