

SEF Range

AERATORS FOR SMALL SCALE WASTEWATER TREATMENT

Our oil free SEF Compressors offer a compact efficient source of compressed air ideal for small scale wastewater treatment with the following features :

- From 15 to 55 kW
- Siemens UI
- Centrifugal oil free technology
- High efficiency
- Air Bearings
- Air cooled
- Robust tested design
- Lightweight and compact
- Several operating Modes: Constant speed, torque or power
- >80dB emitted noise

AVAILABLE SIZES

Model	Power [kW]	Air Flow [m ² /min]	Outlet pressure [kPa]		
			40	60	80
SEF 20	15		16	12	10
SEF 30	22		29	21	17
SEF 40	30		38	28	22
SEF 50	37		48	34	26
SEF 60	45		58	41	32
SEF 75	55		73	51	42
